MULTICHAIN DECENTRALIZED PAYMENT PLATFORM

8PAY aim to make crypto payments as easy as fiat payments, whether they are one shot, subscriptions, or scheduled.

8PAY enables everybody to start receiving and scheduling crypto payments and much more, in few simple steps, without registration.

Bill subscribers with fixed timeframes such as subscription services like Netflix, allowing for payments of the same amount at regular intervals.

Bill subscribers with variable timeframes such as utility bills, allowing for variable payments at regular intervals.

Obtain permission to directly charge your customers' wallet such as ad hoc services like Uber, allowing for payments of differing amounts at random intervals.

Schedule Recurring payment on a daily, weekly, monthly basis, without having to deposit the funds in advance.
